

Shuffle Tech Repair Service Request Form

This form must be included with all returns for repair.

Our goal is to service and ship your machine back to you within 48 hours.

Please return the shuffler only. Do not include presentation tray, adapter(s) or cards.

We will NOT be able to service any units with serial numbers older than B12500.

Please call our service department at 904-587-0096 with any question about your return.

All units will be returned to the customer via UPS Ground Service.

If you require expedited delivery, please indicate below and contact Shuffle Tech for a shipping quote.
